Hi Cory,

You're a hoot! Thanks!

About the PEYA box, I believe it has several CDs in it. Would someone be able to copy them to a folder in the Shared/G: Drive. We need to be able to make sure they're readable for the entire life at the FRC and that is the best way.

That's the only thing keeping that box here. Thanks for checking!

Thank you,

Hi Cory,

This has finally been taken care of. The FRC removed (PW) it from ARCIS today. I made a notation in Versatile too. Thanks for keeping me on task!

Hey girl...this is the info on a box you can delete in VE. This is box 7 of 7 that we were able to condense for Chan.
